The Sidereal Astrologer Robert Augustus Marriott II ***Astrological Services Currently Available***

Charts Are Provided Free of Charge with Any Consultation for Services

Natal (Birth) Location & Relocated (From Birth Location)

Example: I was born in LA, CA at 9:31 AM PST on 11-24-1965, and that is Birth Location

Relocated for Colorado Springs, CO is 10:31 AM MST on 11-24-1965, and that is the Relocated Zone Time

You have to adjust for time zone change to indicate what was the time on Clock with the appropriate zone. The reason for this, has to do with Transiting Event Reports providing the correct house associations, and letting software relocate it will provide the Birth Location houses (That is incorrect in my own view)

Solar Return – Lunar Return – Stellar Entity Return

The Solar Return provides the overall perspective of experiences for the year, and it occurs once a year on the Anniversary of your Birth. Some Solar Return Years are varying 1 day from it.

The Lunar Return happens every Lunar Month (about 28½ Days roughly) They provide the narrowing down of information revealed with the Solar Return.

The Stellar Entity Return is for the Date & Time associated with the return of that stellar entity (Saturn return is about 30 years, 60 years, 90 years, etc.). A Jupiter return is about 12 years, 24, 36, 48, 60, 72, 84, 96, etc. (additionally with all returns, it depends when the retrograde activity occurred).

Then there is the increment chart erections, and they are Demi, Quarti, Enneads, etc.), and any custom type of value attributed to the stellar entity.

The transiting activity is exactly when the event is occurring, and a progression may be a transit with thought that varies by the mathematical value associated. There are commonly use minor, tertiary, and secondary progressions used by astrologers; plus, the other associations mathematically.

The consultation of the above chart erections are charged for the time attributed to them, and generally are provided for increments of 15 minutes. The current rate (2025-2027) is \$ 72.00 for 1 hour, \$ 144.00 for 2 hours, and \$ 216.00 for 3 hours (15 minutes is \$ 18.00, 30 minutes is \$ 36.00, \$ 54.00 for 45 minutes, and will be added to the hour increments.

All consultations are private with those involved, and they are kept in discreet interaction unless prior arrangements have been made with all subjects included. Some of you do not mind sharing information with others of the astrological community, primarily to further the research & study of anything that might attributed to the growth therein.

Astrological Map Line Crossings (Astro*Carto*Graphy is Mundoscope) ***Locality Astrology (Relocation Astrology Zodiacal & Mundoscope)***

The Astrological Maps have options available, and they include Geodetic (I do not use this), Zodiacal (I use this for Relocation Astrology). The Mundoscope Line Crossings (I use “ONLY” for Parans), and there are some differences with the Zodiacal Line Crossings vs. Mundoscope.

I have found that the Zodiacal Line Crossings work better, and the Parans are only available calculating in Mundoscope (Astro*Carto*Graphy) Line Crossings. The Stellar Entity line crossings on the Astrological Maps are created from the 4 Mundane Angles). What does not appear on the Maps are the Angles to the Midpoint of Ascendant & Descendant Axis, including the Mid-Heaven Cusp & Imum Coeli Axis.

Feng Shui Services (Feng=Wind, Shui=Water)

Feng Shui Services Available

Feng Shui Services Available are a blend of the five schools of thought, and they are as follows here:

- (1) Form Feng Shui (this is known as Black Hat Feng Shui, and Tantra is associated with it)
- (2) Compass Feng Shui (North, East, South, West)
- (3) 8 Directions Feng Shui (Chinese perspective of compass directions of Ba Guas)
- (4) 8 Mansions Feng Shui (Japanese perspective of compass directions of Ba Guas)
- (5) Flying Star Feng Shui (Asian school of thought; utilizing the compass directions, and more)

The cures could be implemented by any of the Feng Shui cures, or by corrections to the Ba Gua reviewed from the Sidereal Astrologer. The Sidereal Astrologer will perform this service via communication through cellphone, online meeting room (similar to “zoom”, and is a different service), or in person when visiting the area of your dwelling when less than 35 miles from your location.

Returning to Colorado Springs, CO & then once again will be looking to relocate in another area. The live in-person contact within 72 hours from scheduling the appointment that will range from 72 to 144 hours (6 days anytime, “NO” service between Friday Sunset-Saturday Sunset).
